

Choosing the right cosmetic procedure or the right cosmetic physician can seem like an impossible task. Science and technological advances continue to allow physicians to add new procedures while improving safety, outcomes and healing time. With greater variety comes more choices and greater difficulty in selecting the right treatment plan.

SLUCare physicians can help you sort through the options and design the best plan for you, your skin type, schedule and budget.

Cosmetic services are provided in two convenient locations

SLUCare Des Peres
Des Peres Medical Arts Pavilion
2325 Dougherty Ferry Road, Ste. 102

WHICH PROCEDURE IS RIGHT FOR ME?

SLUCare Department of Dermatology
Division of Cosmetic and Laser Surgery

Dr. Dee Anna Glaser, Dr. Natalie Semchyshyn and the team of professionals in cosmetic and laser surgery offer a wide array of services to turn back the clock and help you look as good as you feel. During a private consultation, your concerns and needs will be assessed and an individualized plan will be discussed. The procedures and services offered by Drs. Glaser and Semchyshyn are minimally invasive and are performed in the office. For invasive surgery and services outside the scope of their practice, Drs. Glaser and Semchyshyn can assist in coordinating your care with an extensive network of specialists.

Dee Anna Glaser, MD

Dr. Glaser is professor of dermatology and vice chairman in the department of dermatology at Saint Louis University School of Medicine. She is the director of the department's division of cosmetic and laser surgery.

Dr. Glaser earned her medical degree from the University of Missouri – Kansas City School

of Medicine; completed an internship and residency in internal medicine at New York University and Bellevue Hospital in New York; and completed a residency in dermatology at Cook County Hospital in Chicago. She is board certified in internal medicine and dermatology.

Dr. Glaser serves on the board of trustees of the American Academy of Cosmetic Surgery, American Board of Cosmetic Surgery and the Cosmetic Surgery Foundation; and serves on the board of directors of the American Society for Dermatologic Surgery and the International Hyperhidrosis Society. For the past several years, she has been included in Best Doctors in America, and St. Louis Guide to Top Doctors.

Dr. Glaser has participated in over 100 scientific and educational presentations and has been involved in numerous clinical studies including Botox® and soft tissue fillers. She has published widely, serves on the editorial board for several medical journals and is a National Education Faculty for Botox® Cosmetic.

Natalie L. Semchyshyn, MD

Dr. Semchyshyn is assistant professor of dermatology in the department of dermatology at Saint Louis University School of Medicine. Before joining the division of cosmetic and laser surgery, Dr. Semchyshyn earned her medical degree from Columbia University, completed an internship at Cabrini Medical Center in New York and a residency in

dermatology at Washington University School of Medicine. After her residency, Dr. Semchyshyn completed a laser fellowship at the Laser and Skin Surgery Center in Sacramento. She is board certified in dermatology.

Dr. Semchyshyn is a member of the American Academy of Dermatology, American Society for Laser Medicine and Surgery, American Society for Dermatologic Surgery, American Medical Association and Women's Dermatologic Society.

Dr. Semchyshyn has been an investigator in numerous clinical trials involving the use of lasers in dermatologic treatment, has participated in educational presentations across the country, and has published articles in various academic and clinical journals.

Janel Lucas, LPE

Janel completed her esthetician training at Current Trends Academy and has special training in microdermabrasion, chemical peels, laser hair removal and permanent cosmetics. She is currently completing coursework at Saint Louis University for a degree in nursing.

Jane Romano, RN

Jane completed her nursing training at Lutheran Medical Center and earned a Bachelor of Science in Nursing from the University of Missouri – St. Louis. She has over 28 years experience in the nursing field and has special training in cosmetic dermatology and laser therapy, including laser hair removal.

Deborah Cook, Senior Patient Coordinator

Deborah is a Certified Medical Technician and completed training as a Registered Nurses Assistant from Maria de Villa. Deborah has over 20 years experience in the healthcare field.

Ashley Possel, Senior Patient Coordinator

Ashley is a Registered Medical Assistant, completing her training at Midwest Institute for Medical Assistants in 2005. She joined the Division of Cosmetic and Laser Surgery with experience in general and cosmetic dermatology.

Barbara Underwood, Health Assistant

Barbara has more than 30 years of healthcare experience including medical and cosmetic dermatology. She joined the Division of Cosmetic and Laser Surgery in 2007 and is dedicated to providing the highest quality care for our patients.
